# It's time for Pat Meehan for Congress

**A tough on crime prosecutor with a successful track record of cracking down on political corruption...**

- **Pat Meehan** **OPPOSES** new taxes on the middle class and small businesses
- Unlike his opponent, **Pat Meehan** will fight to **PREVENT** so-called 'cap and trade' legislation which will hurt the local economy, send jobs overseas and increase energy costs in Pennsylvania
- **Pat Meehan** **BELIEVES** the best thing we can do to improve the economy is to get government out of the way so America's small businesses can thrive, prosper and operate without the threat of higher taxes and more government regulation

**The choice is clear.**

**Changing Washington begins here. Now.**
